Disclosure documents

You may receive the following documents when your Adviser provides financial services to you.

Statement of Advice (SoA)

If your Adviser provides personal advice tailored to your circumstances and needs, you will receive an SoA. The information contained in the SoA will help you make an informed decision in relation to the advice provided. It also sets out the advice, the reasons for the advice and details any remuneration payable.

Record of Advice (RoA)

If you were previously issued with an SoA, certain circumstances may allow the provision of further advice without the need for another SoA. Where this is the case, you are entitled to request an RoA within seven (7) years after the advice was provided. The RoA can be requested

from your Adviser and will detail the further advice and the basis of those recommendations.

Additionally, in certain circumstances where you are provided advice on a small investment balance or strategy advice only, you may be issued with an RoA. Your Adviser is required to provide you with a copy of the RoA in this circumstance, which will outline the advice, the reason for the advice, and detail any remuneration payable.

Product Disclosure Document (PDS)

You will receive a PDS if your Adviser recommends a financial product or offers to arrange the issue of a financial product on your request. The PDS contains information about a financial product's features, fees, benefits and risks.

Referral fees

Navigate Licence and Navigate Advice do not pay or accept referral fees. Any referrals made are in your best interests based on your Adviser's understanding of the need for expert advice in that respective field.

Alternative remuneration

From time to time, Navigate Licence, Navigate Advice and/or your Adviser may also receive other benefits from product providers. We maintain a public register of all other benefits we receive. If other benefits are received, they must be valued at less than \$300 per provider each year or will otherwise be declined. We also maintain a conflict of interest register.

Fees

Advice and implementation fees

Navigate Advice operates on a fee only basis for our financial advice service. Prior to the provision of personal advice, we will agree upon your advice scope, your fixed fee, payment frequency and method of collection. Below is a summary of our available payment options:

Advice and Implementation Fee

The fee for our advice, documentation and implementation of our advice is calculated based upon a fixed price agreement. This fixed dollar amount will vary based upon the complexity of advice being provided and agreed upon prior to commencement. The minimum fee is \$2,750.

- Payable by Direct Debit from your Australian bank account, credit card or product/platform.

Life Insurance – Scaled Advice

The fee for the preparation and implementation of our advice is calculated as a flat dollar fee as follows:

- Initial Needs Analysis - \$440 inc GST. This covers the calculation that confirms the need for cover including the type of cover and benefit amount required.
- Strategy Recommendations - \$1,375 inc GST. This covers documentation of the ownership strategy, premium payment strategy and will include product recommendations to suit.
- Application Completion - \$440 inc GST per application. This covers the production, completion and lodgement of your applications with the product providers. Each resubmission will be subject to this fee.
- Underwriting Management - \$220 inc GST per application. This covers the monitoring, sourcing, coordination and lodgement of your ongoing underwriting requirements to enable the product provider to assess your application. Each resubmission will be subject to this fee.

The Initial Needs Analysis and Strategy Recommendation fees are payable at completion via direct debit or over the counter at Navigate Advisors.

The Application Management and Underwriting Management fees are payable in advance via direct debit or over the counter at Navigate Advisors.

Commission payments

Alternatively, you can choose to have the insurer remunerate us via the Commissions outlined below. If you decide not to implement our recommendations or the application fails to go into force (complete) or your completed policy becomes subject to commission being reversed by the insurer for any reason, the fees for all progress will be payable in full. On an ongoing basis, all commissions will be retained by Navigate Advice.

Should you choose to remunerate us via commission payments for our services above, an initial commission is a one-off payment made upon commencement of an insurance contract and an ongoing commission is paid each year for which the premium is maintained. These commissions are based on a percentage of the premiums you pay. They are not paid directly by you and are instead deducted from the insurance premium by the product provider.

Supplementary service fees

For supplementary services, such as the provision of general research material or the completion of administrative tasks, our fee will be calculated on an hourly basis as follows:

- Gavin Lamb - \$590 inc GST per hour (minimum one hour charge)
- Emily Butt, Peter Hastie and Jessica O’Keeffe - \$414 inc GST per hour (minimum one hour charge)
- Other FP Team Member - \$237 inc GST per hour subject to a minimum of \$77 inc GST.

Ongoing service fees

Navigate Advice does not operate under an Ongoing Service Fee arrangement. Navigate Advice offers tailored financial plan and implementation management on an engagement basis that does not exceed 1 year.

In the event your Financial Plan requires future review to ensure it remains appropriate for you, we will inform you of the need and provide a quote at that time for your consideration.

Non-advisory implementation fees

Managed investments and bank accounts: A minimum fee of \$275 (inc GST) per transaction.

Share transactions: A minimum fee of \$275 (inc GST) per transaction (i.e. per stock code).

Wealth protection: Fees as detailed in the Life Insurance – Scaled Advice (Application Completion/Underwriting Management sections) are payable for this service.

If we assist you on an execution-only basis (i.e. where you have been offered and declined advice), a fee of up to \$550 (inc GST) may be applied for each transaction or task or an hourly rate applied at the supplementary service fees rates outlined earlier in this FSG.

Referral arrangements

We may refer you to a third party for advice or services. Should this occur, you are not obliged to consult the professional person we have suggested, but where you do, Navigate Advice does not receive a referral fee. If the third party we have referred you to is in the Navigate Advisors Group of companies, you need to be comfortable that we may benefit financially from the profit of that business after expenses.
